CEO's MESSAGE

I often get asked what we do between April and October – when the cricket season is over. The answer is everything. You might think that this a strange answer, but it is true. The off-season is our busiest time, as this is when we start all the prep work with the new season in mind.

From doing important maintenance on all the cricket facilities at Kingsmead and around the Province, to getting our marketing plans finalised, this is a very busy time for all of the staff at KZN Cricket. This is also a time when we go on a recruitment drive to identify and train new Umpires and Scorers, because without these vitally important people, the game just would not function.

So while there are no matches being played across the Province on the weekends, there is a hive of activity at Sahara Stadium Kingsmead – as we work hard to ensure that you all have the necessary support when the new season comes around.

Enjoy the time off, remember to stay fit and healthy, so that when the summer comes around you are ready for the challenge of the new cricket season.

We hope that you enjoy reading this newsletter.

Pete De Wet
Chief Executive

MESSAGE FROM THE NEW DOLPHINS' COACH

It is with immense pride, great honour and humility that I took up my post at Kingsmead on 8 June 2016. I was supposed to start on 1 June, but sadly a family bereavement led to me starting my tenure a week late. I apologise for this, but I am sure all stakeholders and staff understand circumstances such as these.

It is my passionate belief and mission to give my all to make the Dolphins a humble and very successful team who aim to play an exciting and dominant brand of cricket that promotes the game, excites everyone watching and creates stunning memories. I want to be part of a "Golden Age" of cricket in this historically rich cricketing Province. I want all people to look back and say "Wow, remember that team and the way they played and how they enjoyed it and made us all feel part of the family."

We, the Dolphins team, belong to each cricketer and person in KwaZulu-Natal and we will do our best to make you proud. I am totally committed to achieving that goal of creating memories with a winning team that also wins peoples' hearts and souls in the process.

Kind regards

Grant Morgan

COACHES' CORNER

The date for the 2015 candidates to finish their practical exam is 02/03 August, and it will be held at the HPC in Pretoria. KZN nominations for level 3 for 2016 have to be submitted by 18 July. Those level 2 coaches interested in applying must submit an application to jayn@cricket.co.za by no later than 10 July 2016.

KZN then will finalise their nominees and submit to CSA who then will advise KZN who has been accepted. Those who have been accepted will have till 15 August to confirm their availability. Travel expenses will be for the candidate; the rest will be covered by CSA.

A point to note, if one is coaching U11, U13, U15 it is not essential for a level 3 unless looking to coach a Provincial team.

Good luck for the winter.

- **LEVEL 3 PRACTICALS FOR 2015 CANDIDATES IS 02-05 AUGUST. STILL TO BE CONFIRMED**
- **THAT WILL BE 02/03 AUGUST**
- **FINAL DATE FOR LEVEL 3 NOMINATIONS IS MONDAY 18 JULY**
- **LEVEL 3 COURSE IS 05-09 SEPTEMBER**
- **THOSE CANDIDATES WHO HAVE BEEN ACCEPTED HAVE UNTIL 15 AUGUST TO CONFIRM**

Coaching Tip

As a young cricketer it is very important to understand one's strengths and weaknesses, but it is also important to be versatile and adaptable. A point in mind is the Irish win over the Boks this June.

No team will prepare to play a Test match with 14 players let alone 13 for 10 minutes. The manner in which those players rose to the occasion was far more than admirable, in fact it was stupendous.

To see the right winger at scrums and a front rower defending in the backline with the commitment and tenacity that they did, inspired the rest of the team and eventually took them across the line.

In terms of an aspiring cricketer, one can plan and prep in a certain manner, but the situation of conditions and the scoreboard may determine how the individual and or team adapts to it.

So one's preparation is key to success and one must ensure that all bases are covered, whether a batter, a bowler or a wicketkeeper.

KWAZULU-NATAL CRICKET UNION TEAM BUILDING

Academy Team Builder 2016

The group of Academy athletes embarked on a journey from Kingsmead, to the lovely scenic **Shongweni, Spirit of Adventure**, from 31 May to 3 June 2016.

Shongweni, Spirit of Adventure

The camp visit came timeously as the Academy has some tough games coming up, as we prepare for the Potch Week, where a strong team spirit will play an important role towards overcoming the challenges that will be faced on the field. Next on the calendar will be the Academy Week in September, where we have had a great record as an Academy, winning 24 of the 25 games, which is something we look forward to continuing and improving.

Upon arrival at the camp the boys were introduced to the programme and how things were going to work. They were divided into two different camps which were going to work together for the whole time we were there.

The purpose of the trip is to engage one another from a teammate perspective, coach to player growth or knowledge, increase trust and brotherhood in the squad: these are just some of the points or goals that were targeted. That this season is based on us as a group .

TEAM BUILD ACTIVITIES

- Raft build and race
- Canoe to Umlaas
- Hike via tunnel to dam wall
- Abseil dam wall
- Dam wall jump
- Hike to RH
- Climb RH
- Return to camp
- Mind muncher

The final product of this is TEAM

Different players were tested in different ways. Players were pushed outside of their comfort zones in different ways. For some it was water (Canoe), for some it was height (dam wall jump), and for others it was the dark or small spaces (snake pit). Facing the challenges was one thing, pushing through your fear with your teammates is another. You could see a unity in the squad growing as they motivated each other through all the obstacles.

Later in the year, when all is said and done, we will be able to tell if the team builder was a success or not. It is not about the honeymoon period straight afterwards felt by the players, but about the hard times felt on the field, being able to rise to the challenge as a team.

We would like to thank KZN Cricket for the opportunity to go away and bond like this, allowing us great preparation work in giving us a chance to perform out best at the upcoming weeks.

RPC Hubs in KZN

The RPC/HUBs programme has gotten off to a flying start in the new calendar year of the 2016/2017 season. Our structures are based on providing excellence through growth in potential young talent. The programme caters for all age groups ranging from the under 11's straight up to the under 19's.

The RPC under 15 and 19 teams have been invited to participate in the 9th Annual Sunfoil Township Tournament which commences on 28 June 2016 till 2 July 2016.

The mission for the RPC/HUBs is to grow cricket skills, life skills and merge distinct groups of our players so that they may be able to compete for provincial representation, ultimately we are aiming to grow the game of cricket holistically.

Township and Rural Development

Message from the Township and Rural Manager

SANELISIWE KHUZWAYO

Manager: Township and Rural Development Programme

On the KZNCU Township and Rural Development front, excitement is mounting ahead of the Sunfoil Township Schools Tournament which takes place at Hilton College from 28 June to 2 July. Hundreds of boys within our programme have been coming to Umlazi Comtech from townships and rural areas all over KZN for the past few weeks to try out for the tournament.

Over 300 players and coaches from areas like KwaMashu, Umlazi, Mpumalanga, KwaDabeka, Pongola, Mbali and Sweet Waters will participate in the tournament and we have also invited teams from other provinces like Gauteng, Griquas, Border and Western Cape.

The tournament is of paramount importance to us as it is here that we identify boys for whom we can apply for bursaries and scholarships at top cricketing schools. This is also where we identify the boys that will be sent for KZN trials, as well as the boys who will be part of the high performance programme within the development setup.

But it isn't just the cricketing aspects the boys look forward to. It should be remembered that most of these boys come from very poor backgrounds. Some go to bed without having anything to eat. For them, staying at Hilton College is like being in a hotel – they get three meals a day, they get to have hot water showers and sleep in comfortable beds.

Remember also, that due to their circumstances it is not possible for the families of the boys to come out and support them. I would therefore like to take this opportunity to personally invite you to lend your support to these courageous and passionate young men. They will certainly be boosted by your presence there.

KWAZULU-NATAL CRICKET UNION KFC MINI CRICKET

KFC Mini Cricket Activities for the Month

The concept of "mini" has its roots in the softball. The keywords in Mini-cricket are participation and enjoyment, it provides a medium where children can be coached while taking part in a modified game of cricket. A team consists of eight players and the game can be played on any reasonable level surface. The rules of the game ensure that every child taking part will bat, bowl, keep wicket and field all fielding positions. This prevents the domination of matches by better players and gives everyone an equal opportunity. Games of Mini cricket should be flexible, provide fun, activity and excitement and should be based on development of basic skills in batting, bowling, fielding and wicket keeping and also athletic development of child in a simple form. That means KFC Mini Cricket also provides a long term athlete development programme. Coordinators are also provided with Mini Cricket Coaching Courses and Sport Management Courses through Boston College.

KWAZULU-NATAL CRICKET UNION CSA REGIONAL CAMP

CSA U17 REGIONAL CAMP

CSA U17 Regional Camp will take place at Kingsmead on 4/5 July 2016. This Camp is run by CSA to identify talent. The main aim of this Camp is to identify players that can possibly represent SA U19 team in the 2018 World Cup.

Screening sessions were held for both Inland and Coastal Regions, as only the best U17 players are invited to attend the Camp. Invited players go through an intense two days, where they do fitness assessment, skills net session and fielding. Boys also get involved in group discussions where they share their knowledge and understanding about the game.

The boys that are identified are then invited to the National U17 Camp which is held in Pretoria every year, and they spend four days there. Various skills sessions take place during the Camp.

Yours faithfully
L. Dladla

UMPIRING COURSE

The KZNCUA will be conducting an Entry Level and a Level 1 umpiring course starting on Saturday 4 June and will continue on subsequent Saturdays until 25 June 2016.

What does this all mean?

We asked Sunfoil Dolphins captain and Proteas player Morne "Meanest" van Wyk to help unravel the mysteries of the umpire's signals for us.

Leg Byes

"Leg byes, basically as a batsman you got lucky with some free runs, they don't count to your own score though!"

No Ball

"No Ball. This is another one that makes you a little unpopular with the team. There's no worse feeling than getting someone out only to see this signal- ask Mome Morkel."

Out

"HOWZAT! Out! This is when Immy (Imran Tahir) does his Boeing take off impression. That guy LOVES his wickets."

Six

"It's not the start of the YMCA. It's the signal every batsman loves! You've smacked it all the way for 6."

Penalty Runs

"5 Penalty runs awarded to batting side the hand taps the opposite shoulder. 5 Penalty runs awarded to fielding side the hand is placed on the opposite shoulder."

Wide

"I once caught a fish this big...no actually that's the wide signal, if you're the bowler, it usually gets you a cold hard glare from your captain."

KWAZULU-NATAL CRICKET SCORERS' ASSOCIATION

FROM THE SCOREBOX

LONG-SERVICE AWARD FOR KZNCSA PRESIDENT

KZNCSA President, Alison Moor (left), was the recipient of this year's Scorer of the Year Award at the recent KZNCU Cricket Awards Evening. The Award recognised the thirty years Ali has dedicated to scoring and cricket in KwaZulu-Natal and South Africa.

Ali began her scoring career at Sahara Stadium Kingsmead in 1986 as a press scorer for the radio commentators and became a regular scorer for the Union in the mid-1990s. From 1998 to 2001, she travelled with the South African team to Australia, England and the West Indies as scorer and statistician for the team's coach, the late Bob Woolmer.

Since scoring her first match at Sahara Stadium Kingsmead 30 seasons ago, Ali has scored countless international and provincial matches, including three World Cups, two Champions League, fifteen IPL matches and, most recently, her first Ladies T20 international.

Ali is a founder member of the KZN Cricket Scorers' Association and has served as President of the Association since 2012.

LINEAR TRAINING COURSES

The KZNCSA will be running two Level I training courses at the Oval in Pietermaritzburg on Saturday 25 June and 2 July from 9am to 12.30pm. The courses are available to interested scorers from KZN Inland and Coastal schools and clubs.

The KZNCSA will also be running Level I and Level II linear training courses at Sahara Stadium Kingsmead in early September. The dates of these courses will be circulated to the media and clubs as soon as they have been confirmed.
